

BOX OFFICE SERVICES

The Leo J. Welder Center for the Performing Arts Box Office is a computerized system providing on-site printing capabilities, real-time Internet sales and excellent customer service, managed cooperatively between Victoria College and Theatre Victoria. Box office services and fees are separate and distinct from rental fees. **All ticketed events held at the Welder Center, including rentals, must be ticketed through the Welder Center's box office service.** Ticketed events at venues other than the Welder Center may also be ticketed through the Welder Center's box office service.

Box Office Service request form is due at least 2 weeks prior to the date that you want ticket sales to open to the public.
